

## Product Recalls

### **SUB ZERO**

Sub Zero is making modifications to hinges on some 600 series products. You should call if you have one of the following models and the repair has not already been done.

**650 and 611 models with serial numbers between 1936094 and 2147190**

**611 series models with serial numbers between 1935519 and 1983762**

**650 series models with serial numbers between 1727124 and 1739009**

There is a hotline set up by SubZero at 18665435408 or call SubZero at 18002227820.

Repair companies to call in the Vancouver area are:

**Shoreline Appliance at 6049416199 or**

**Totem Appliance at 6044375136.**

The repair work is free if it is one of the serial numbers that are listed above.
